## UNIT 3 RECAP

- We hope parents had a wonderful night out for Valentine's Day while the children enjoyed themselves at Kid's Night.
- In this unit, we explored the life of Jesus in depth. We examined how John the Baptist paved the way, reviewed some of Jesus' miracles and parables, and discussed how these lessons help us grow closer to Him and guide us in becoming better Christians.

## COMING UP IN UNIT 2

We will finish off one more month in the New Testament and then head back to the Old Testament. Here is an overview of what we will go over.

April

In "True Story" kids will explore the amazing and true stories about Jesus that show us what it means to live for God.

May

In "In the Beginning" kids will learn that God made the world and everything in it and we are made in God's image.

June

In "We are Family" kids will explore how Abraham's family navigated challenges and blessings, while remembering that we're all part of God's family.
